

Jumbo Flagstone

Large-format natural flagstone, quarried and selected on our own site on Manitoulin Island for expansive, natural paving.

— ABOUT THIS MATERIAL

Our jumbo flagstone is quarried in large, natural slabs, suited to patios, walkways and paving where scale and natural character matter most. Each piece is selected for its shape and finish.

— APPLICATIONS

- Patios and outdoor living spaces
- Walkways and stepping paths
- Pool surrounds
- Large-scale natural paving

MATERIAL

Natural quarried limestone
